**PURE PLAY PRIVATE DEBT**

Investing in Cortland short-term private debt strategy offers investors the following benefits:

- Higher yields compared to traditional fixed income instruments
- Low correlation with traditional asset classes
- Enhanced portfolio diversification
- Assets aligned with investor liquidity
- Evergreen fund structure

Positioned as a conservative alternative fixed income strategy, our portfolio is mainly comprised of senior secured loans originated and underwritten by Cortland's in-house team with an average initial term of one year.

This all-weather strategy is designed to perform throughout various market and credit cycles.

**PERIODIC AND ANNUALIZED RETURNS**
